Notice of Availability of the Final Environmental Assessment and Finding of No Significant Impact/Record of Decision for Amazon Prime Air Package Delivery Operations in Texas

The Federal Aviation Administration (FAA) hereby gives Notice of Availability (NOA) for this Final Environmental Assessment (EA) and Finding of No Significant Impact/Record of Decision (FONSI/ROD) following the FAA's evaluation of the potential environmental effects of the FAA decision to authorize Amazon Prime Air to conduct commercial drone delivery service in Texas.

Amazon Prime Air is seeking to amend its air carrier Operation Specifications (OpSpec) and other FAA approvals necessary to introduce commercial drone delivery operations in Texas. The FAA's approval of the amended OpSpec is considered a major federal action under the National Environmental Policy Act (NEPA) and requires a NEPA review.

The Final EA has been prepared in accordance with FAA Order 1050.1F, *Environmental Impacts: Policies and Procedures*. The Final EA reflects the consideration of comments received during the public comment period for this EA from August 15, 2025, through October 1, 2025.

The Final EA and FONSI/ROD are available to view/download electronically at:
https://www.faa.gov/uas/advanced_operations/nepa_and_drones

CONTACT INFORMATION: For any questions or to request a copy of the EA, please contact:
9-FAA-Drone-Environmental@faa.gov.

This EA becomes a federal document when evaluated, signed, and dated by the Responsible FAA Official.

Notice of Availability, Notice of Public Comment Period, and Request for Comment on the Draft Environmental Assessment for Amazon Prime Air Package Delivery Operations in Texas

The Federal Aviation Administration (FAA) provides notice that a Draft Environmental Assessment (EA), prepared pursuant to the National Environmental Policy Act (NEPA) (42 United States Code §§ 4321 – 4355), to assess Amazon Prime Air’s proposed commercial drone delivery service in Texas is available for review and comment.

Amazon Prime Air is seeking to amend its air carrier Operation Specifications (OpSpecs) and other FAA approvals necessary to expand commercial drone delivery operations in Texas. The FAA’s approval of the amended OpSpecs is considered a major federal action under NEPA and requires a NEPA review. The Draft EA is submitted for review pursuant to NEPA, FAA Order 1050.1F, *Environmental Impacts: Policies and Procedures*, Section 4(f) of the Department of Transportation Act (49 U.S.C. § 303), and Section 106 of the National Historic Preservation Act (16 U.S.C. § 470). The Draft EA will be available for a 30-day public review beginning on Friday, August 15, 2025, and ending on Saturday, September 13, 2025.

The Draft EA is available for online review at:

https://www.faa.gov/uas/advanced_operations/nepa_and_drones

Comments on the Draft EA may be submitted electronically to 9-faa-drone-environmental@faa.gov. Written comments may be submitted via U.S. Mail to the address below. Please ensure adequate time for receipt. All comments must be received by 5:00 p.m. Central Time on *Saturday, September 13, 2025*. Federal Aviation Administration, Suite 802W

C/O AVS Environmental
800 Independence Ave SW
Washington, DC 20591

All substantive comments received will be responded to in the Final EA.

PRIVACY NOTICE: Before including your address, phone number, email address, or other personal identifying information in your comment, be advised that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

This Draft EA becomes a federal document when evaluated, signed, and dated by the Responsible FAA Official.
