Office of Inspector General

April 3, 2026

The Honorable Jennifer L. Homendy, Chairwoman
National Transportation Safety Board
490 L'Enfant Plaza, SW
Washington, DC 20594

Dear Chairwoman Homendy:

In accordance with the Accountability of Tax Dollars Act of 2002, we are initiating an audit of the National Transportation Safety Board's (NTSB) financial statements for fiscal years 2026 and 2025. The objective of this audit will be to express an opinion on whether NTSB's financial statements are fairly presented, in all material respects, in conformity with the accounting principles generally accepted in the United States. We have engaged Allmond & Company, LLC, an independent public accounting firm, to conduct this audit subject to our oversight.

Allmond will conduct its work in accordance with generally accepted Government auditing standards and the Office of Management and Budget's (OMB) Bulletin 24-02, *Audit Requirements for Federal Financial Statements*. The work will be done at NTSB's Headquarters in Washington, DC, and its service provider in Denver, CO. The audit report is due to OMB, the Department of the Treasury, Congress, and the Government Accountability Office by November 16, 2026.

Allmond will begin its work in the coming weeks and will contact your audit liaison to schedule an entrance conference. If you have any questions or need additional information, please contact me or Ingrid Harris, Program Director.

Sincerely,

A handwritten signature in black ink that reads "D. Dillard-Christian".
